Anecdots – My Visit to SOU

Statue of Unity (**SOU**) is the statue of one of the most prominent Indian leaders, **Sardar Vallabhbhai Patel**, who is remembered as the Iron Man of India. His principles and ideologies have inspired millions across the globe.

We desperately wanted to see the **world's tallest statue** (height 182 metres) situated in our hometown Gujarat & we got the opportunity to plan a visit to this historic monument in my summer holidays.

As I am animal lover, my parents planned surprise for me on my birthday to visit Jungle Safari, Pets Zone & Dinosaur Park in SOU.

I thoroughly enjoyed my visit to the iconic Statue of Unity. A trip that gave me lovely memories, a trip that filled me with much pride and honor, a trip that left me absolutely speechless and mesmerized, and last, but not the least, a trip that I would really recommend everyone to go for.

Since there are many tourist places near the Statue of Unity, so, we decided to visit them too, and indulge in some more pleasure.

Some of places are Children Nutrition Park, Laser Show, Jungle Safari, Pets Zone, Valley of Flowers, Dino Trail, Glow Garden, Miyawaki Forest, Arogya Van, Ekta Cruise, Vishwa Van, etc.

It is an absolutely out-of-the-world feeling to watch a huge statue & other places. I couldn't believe my eyes.

A big cheer to the creators!
